

**Actions from the West Cumbria Sites Stakeholder Group
Meeting held on Thursday 6th April 2006**

There were several actions required from the last meeting and I am pleased to report that all have been closed out:

Summary as follows:

1) Mark Dixon (NDA) was requested to provide a written response to members of the committee regarding the 'polluter pay principal'

Response was compiled and sent to members and posted onto website

2) A report was requested by the Chairman explaining the forthcoming sequence of events leading up to the potential re-start of Thorp

Report was compiled and sent to members and posted onto website

3) Information on the carbon dioxide balance of the whole nuclear cycle.

Information was sent to members and posted onto website

4) Discussion took place regarding the sounding of the site siren, it was suggested that an Emergency Planning sub committee be held to discuss in further detail.

Emergency Planning sub committee was held – report to follow

5) Proposal to set up a Sellafield sub committee

Initial correspondence has been sent to members, date for first meeting has yet to be arranged.

6) Proposal to set up a working group to look at the transportation of small consignments of radioactive Low Level Waste.

First meeting scheduled for 17th July 2006 at the Ennerdale Country House Hotel, Cleator
