

Our ref: WCSSG / invitation letter

9<sup>th</sup> January 2012

**To: All members of the  
West Cumbria Sites Stakeholder Group**

Dear Member

**West Cumbria Sites Stakeholder Group – 7<sup>th</sup> February 2012**

I attach for your information the agenda for the WCSSG meeting on 7<sup>th</sup> February.

I also attach for your information feedback received from the recent consultation on the membership and structure of sub committees (now termed working groups) and the proposed recommendations resulting from the workshop held in December to discuss the feedback and an amended Terms of Reference. It is hoped that the recommendations and Terms of Reference can be ratified at the February meeting.

The February meeting will not normally be a `scrutiny' meeting, however, given the unfortunate postponement of the October meeting there will be brief reports from site licence operators, NDA and the regulators, this will also give us the opportunity to trial run the new reporting format of updating members on progress against the Sellafield Plan.

John McNamara and Rosie Mathisen from NuGen will be attending the meeting to update members on the topic of `New Build' and will be available to answer any questions you may have.

I look forward to seeing you all on the 7<sup>th</sup> February.

Yours sincerely

**David Moore**
