

NDA Update WCSSG 04/10/07

• Mark Dixon

LLWR Competition

- Issued Invitation To Tender (ITT) at end October 06
- Received 3 compliant tenders in February
- Named the preferred bidder (UK Nuclear Waste Management)
- Competition team are carrying out final negotiations and contract clarifications at present
- New SLC in place and operating
- Contract award planned for October

Sellafield Parent Body Organisation (PBO) Competition

- Issued call for competition Jan 2007
- Pre-qualification questionnaires returned Feb 2007 – 7 received
- Invitation To Participate in Dialogue issued March 2007
- Now in final phase of Dialogue with remaining 4 bidders
- Invitation To Submit Final Tenders due out before end 2007
- Contract award scheduled Mid 2008

Other Activities (1)

- NDA Funding
 - Agreed with DTI as £2.472 Billion for 2007/2008
 - Likely to be similar for next few years – awaiting output from Comprehensive Spending Review 07
 - Represents a small increase over previous year and significant increase over 2005/2006 numbers
 - Funding figure is however less than the plan – work ongoing to prioritise
- New Site Licence Company names created as BNGSL and UKAEA move away from SLC ownership
 - Sellafield Ltd (Sellafield/Calder Hall/Windscale/Capenhurst)
 - Low Level Waste Repository SLC Ltd (LLWR SLC Ltd)

Other Activities (2)

- Integration of Windscale into Sellafield SLC due to complete April 08 - in line with UKAEA restructuring
- NDA have taken the ownership shares in NIREX
 - Integration of NDA and NIREX personnel currently being completed
- New NDA Organisation -Restructured ready for new SLCs
 - Commercial
 - Decommissioning and Clean-up
 - Waste
 - Finance
- Site end states - work continuing towards agreeing the end states for planning purposes
- NDA Chairman - Sir Anthony Cleaver completed his 3 year appointment - replacement being sought
